

FOR IMMEDIATE RELEASE

MOBIUS ASSET MANAGEMENT, INC. IS PLEASED TO ANNOUNCE

BarclayHedge has ranked the Mobius Asset Management, Inc. Custom Trading Program #9 in the Financial/Metals Traders Managing More Than \$10M category for October 2009.

Mobius Asset Management, Inc. a professional Commodity Trading Advisor headquartered in Scottsdale, Arizona manages three successful trading programs; Custom, Energy and Diversified.

Mobius Asset Management, Inc. who has been in business and a member of the National Futures Association since 1997 is administered by John McLane who has over 30 years of experience in the futures and security industry. The milestone comes in large part as a result of our overall multi-system multi-time frame methodology that allows for the control of risk within highly volatile trading environments, while seeking competitive rates of return.

For further information on the Mobius Asset Management, Inc. trading programs contact:

John McLane at 480-948-3869 or e-mail at john@mobiusassetmanagement.com
